

BROOKSIDE
SWIM & TENNIS CLUB

2023 Business Sponsorship Program

Dear Potential Sponsor,

Brookside Swim & Tennis Club is a non-profit organization, seeking to align with local businesses and corporations to develop mutually beneficial collaborations.

Our club has over 400 members, including more than 100 swimmers and divers ages 5-18. We compete against teams of similar size, which means that 500+ parents and family members from Lower Bucks County come to our swim meets. Our tennis programs also bring in many customers from outside of the club membership.

We are currently looking to partner with local businesses and corporations that have a shared interest in the families and youth of our community. Our club would like to work with your organization, and invites you to become a business sponsor for the 2023 season. For details on sponsorship levels and benefits, please see the other side of this sheet.

Thank you for taking the time to consider supporting our young athletes as a 2023 sponsor. Please feel free to contact us with any questions.

Warm regards,

The Brookside Marketing Committee
